Dedicated to Fairness, Service, Pride and Quality*

Press Release

In regards to the press release given on 2/21/18, our investigation into the threats of violence at the Orono Schools had produced two individuals of interest. It is confirmed that one juvenile has been arrested and is in custody on charges of Terroristic Threats. The investigation remains open as we look into additional charges for the suspect in custody.

The second person of interest has been interviewed and was found to not be associated with this incident. He has been cleared of this investigation. No other suspects are being sought.

The safety and security of our students is a common priority between the police department and our schools. There was an increased presence of police at the schools this morning and will continue this week. The school administration and the police department would like to reassure students and parents that it is safe to return to school.
